

## **Downtown Parking Structures**

The City of Glendale operates three downtown public parking structures: the Exchange, the Marketplace, and Orange Street and all offer **90 minutes free parking**. These parking structures are owned by the City and currently maintained by a parking operator. All of these locations help support businesses at the Exchange retail area, the Marketplace shopping area, and Mid-Brand Boulevard Merchants by supplying approximately 2,400 public parking spaces. Each location offers monthly parking for employees of local businesses. For more information, please call (818) 550-1791.
